1

A photograph of a stone building, likely a church or monastery, featuring a small, arched window with a decorative frame. The building is constructed from light-colored stone blocks. The image is positioned on the left side of the page, partially overlapping the text.

10

A close-up photograph of a stone wall featuring a Gothic archway. The wall is constructed from irregular, light-colored stones with darker, reddish-brown mortar. The archway is pointed and contains a dark, possibly wooden, structure. The image is slightly tilted and has a soft focus.
